

MAFA Photo Consent Policy

MAFA sponsors fiber-related programs and activities that may be photographed or videotaped for educational, publicity or fundraising purposes. Such photography may appear in print or digital form, in MAFA promotional materials, newsletters, posters, brochures, slide shows, social media posts or on websites.

Conference Attendees

By attending a MAFA conference, attendees must agree that any photographs taken at the conference that include the attendee and/or their work may be used in MAFA materials such as those listed above.

Attendee names will not be published without their express permission.

It will be the responsibility of attendees who wish not to be photographed to be aware of their surroundings, and to stay out of the frames of the photographers.

Grant and Fellowship Function Attendees

Participants in activities funded by MAFA grants or fellowships will be asked to sign a similar agreement unless the activity takes place in a public arena, in which case photographic permission is assumed.

Participants in activities funded by MAFA grants or fellowships will be asked to sign a similar agreement if written permission is required under the [Guild Grant/Fellowship Photo Consent Guidelines](#).

MAFA will not publish photographs of children's faces without the express written permission of the child's parent or guardian.

MAFA will not publish images containing clearly visible (unblurred) children's faces without a signed release from the child's parent or guardian.

See the complete [Guild Grant/Fellowship Photo Consent Guidelines](#).
